

# Inspired by God

(2 Timothy 3:14-17)

We are encouraged to read our bible, each and every day,  
So that we can understand God's will, while walking in the Way.

Parents who share the bible, teaching right from wrong,  
Bring up wise and knowing children, who in the Lord are strong.

Children who are wise for salvation, through faith in Jesus Christ,  
They live a life of service to Him, because salvation is high priced.

All of the scripture is inspired by God and good for many things,  
It is good for solid doctrine, the teaching to which one clings.

When it is time for reproof, a scolding we must take,  
The bible is there to do the job and cover every mistake.

Not only does the word accuse us, in the bad things we do,  
But it also will correct us, so that to God we can be true.

Wonderful instruction in righteousness, on which we can rely,  
To live in a pure and simple way, and please our Father on high.

We keep His word within our heart, growing from that good seed,  
When we apply it His word helps us, as we do every good deed.
