

Don't Be Fruitless

(Matthew 21:18-22)

Now it was in the morning, Jesus went back to town.
He was feeling a little hungry so began to look around.

He spotted a little fig tree, right there by the road,
So he went to it and found no figs, upon the tree we're told.

With disappointment in His voice, He looked at the tree and said,
No figs will ever grow on you, then the tree was dead.

When the disciples saw it, their minds began to swoon,
How can this fig tree once alive, wither away so soon?

Jesus answered, "You must have faith, and never should you doubt,
And you too can kill a fig tree or make a mountain move about."

Yes knowing God is real, this you must believe,
Then whatever you ask in prayer, in faith you shall receive.

We must never be like the fig tree, all green but without fruit,
Rather being busy doing God's will, should be our life's pursuit.

So grow the Spirit's fruit, have faith and be strong,
Love, patience and gentleness, in this we can't go wrong.
