

A Hole in the Roof

(Mark 2:1-12)

The story is told of Jesus and to the city He came,
People came to the house and it was filled all due to His fame.

Jesus preached the word to them, packed with no room,
Hoping He would heal them and make better a world of gloom.

Four men carrying a brother, paralyzed in his bed,
Too many to get to Jesus, there must be a way they said.

So the challenge they accepted, a hole they made in the roof,
Then lowered their friend to Jesus, with faith needing no proof.

Jesus seeing their faith said, "Son your sins are forgiven you."
The scribes began to hate Him, "This man defies God it is true."

But Jesus knew their hearts and now His authority would show,
"Arise, you are healed and now, off to your house you go."

The man got up, went out of the house so the people could see,
Amazed they began to glorify God, "Oh just how can this be?"

So when facing life's challenge, remember the faith of the four,
Trust in God thru Jesus, and He'll be with you for evermore.
