

# **Not Immorality but Christ**

(Colossians 3:5-10)

As the Roman letter says, baptized and dead to sin,  
We've put to death evil habits, so to heaven we'll win.

Impurity, passion and desire which can bring on God's wrath,  
In past we participated so freely, not worried of the aftermath.

But now that we've been washed, we now put these things away,  
Anger, malice blasphemy, and filthy words to say.

Now we don't lie to each other, that old person has now passed,  
A new man and a new creature, created by Him at last.

Having been renewed in knowledge, according to the image in Him,  
Our light can now shine brightly, never again to go dim.

This salvation is given to all, to people of every race,  
No need for special nationality or come from a particular place.

Yes Christ came to save all people, to keep them from the fall,  
His precious blood, His Lordship is why He is the All in All.
