

How Do I Know God?

(1 John 4:7-11)

Brothers and Sisters listen to what the Lord has to say,
Love each other like God loves us each and every day.

The source of real love is God and He shares it with us all,
So the person born of God knows God and can always stand tall.

Now the person who does not love, doesn't have God in his life,
Because God is love and without Him one lives in darkness and strife.

God has made it clear by the love He showed toward us,
The gift of the only begotten Son, now salvation in Him we trust.

This is how love is shown, not that we have loved God first,
But He sent Christ into the world, to quench the sinner's thirst.

If God can love me, a sinner marred black and blue,
Then there's no reason in the world that I can't love you.
