

The Effective Prayer

(James 5: 13-19)

Are you suffering in life? Struggles every day?
Then do what James has written, get on your knees and pray.

Are you sick and weary and not feeling very good?
Then call for the elders to pray and very well they would.

Confess your faults to each other, and for each other pray.
The blessing of forgiveness, there is no other way.

The effective, fervent prayer of the righteous does avail.
Like the prophet Elijah, nature obeyed without fail.

If a brother wanders from the truth and there he is depraved,
I can turn him back again and from sin and death he's saved.
