

Don't Let the Rooster Crow

We all know the story,
Of how Peter the Lord denied.
Then after the rooster crowed,
Peter went out and he cried.

But we all say like Peter,
Oh Lord, that we would never do!
Because we love you Jesus,
To the Lord we'll ever be true.

Then we're out with friends,
The filthy talk we do let fly.
Or when we get in trouble,
We don't hesitate to tell a little lie.

We may see a downtrodden brother,
But we don't give him what he needs.
Rather we turn and walk the other way,
Cause our heart is full of greed.

You see, there are other ways,
To show people Jesus we don't know.
So be careful little children,
And don't let the rooster crow!
