

## **An Honest Day's Work**

Have you ever wondered,  
Why it feels so good?  
To not be slow and lazy,  
And work hard like you should?

It would seem that a life of leisure,  
Would be the perfect way for man.  
Then one would never be tired,  
Or be stressed from work's demand.

But that's not at all how God,  
Designed our bodies to be.  
We were created to work and move,  
To stay busy and productive you see.

When it comes to work in the kingdom,  
We are to labor even more.  
We will please the Lord in the process,  
And in heaven much treasure we'll store!
