

Behave Like a Christian

(Romans 12:9-21)

How should one behave,
While following in the Lord's way?
To be more Christ-like,
And in His example stay.

You'll have non-hypocritical love,
And hate all evil acts.
Show affection for your Christian family,
With love as a matter of fact.

You will prefer each other's company,
And with much diligence serve.
Happy in hope, patient in trouble,
And from the path not swerve.

You will pray so very often,
Help Christians who are in need.
Be hospitable and nice to the hateful,
Happy with all whom have agreed.

You'll cry with those who are grieving,
Be unified in every thought.
Act humble, be peaceful, bringing others to Christ,
Is the ultimate goal to be sought.

Then lastly you will overcome evil,
Defeat the devil at his own game.
To conquer sin and wickedness,
All in Jesus Christ's name!
