

Do I Have a Passion for Christ?

They say for one to have passion,
They must have fervent desire for one thing.
As disciples of Jesus, we follow Him,
The servants of Christ we sing.

But do our actions deceive us?
Our passion is quickly drawn away.
To follow our own selfish desires,
And soon from the Savior we stray.

We claim to love the Redeemer,
And do His blessed command.
As long as it doesn't disrupt,
The things we want to do and have planned!

So let us renew our vigor,
Fall down and repent of our sins.
We must get fired up for Jesus,
As the song says, "Revive us again!"
