

## **The Gift of Song**

(Colossians 3:16; Hebrews 2:12; 13:15; Ephesians 5:19)

We come in through the doors of the church building,  
Ready to offer praise.  
To give the Lord honor and glory,  
With our voices raised!

To give the Lord an offering,  
Is not just money you see.  
But to offer the fruit of our lips,  
Singing, "From sin we have been set free!"

God doesn't need stage lighting or smoke,  
Or a great band who plays very loud.  
He just wants to hear our voices,  
Coming from the assembled crowd.

So please join us in singing,  
With each voice doing its part.  
Psalms and hymns and spiritual songs.  
With joy coming straight from the heart.
