

Build Your Life with God

(Jude 20-25)

Dear Christian being beloved,
Take your faith and build it up.
Keep praying in the Holy Spirit,
Finding yourself among the uncorrupt.

Keep yourself in the midst of God's love,
There is no better place to be.
Finding mercy in Christ Jesus,
And eternal life we then will see.

Always have compassion,
On those who struggle with doubt.
Pulling them out of the fire,
Teaching what salvation is all about.

Now God will keep us from stumbling,
Make us faultless and free from sin.
Standing in the presence of His glory,
Inexpressible joy we will ever be in.

Bless be the God and our Savior,
Who alone is the Most Wise.
On His throne with glory and majesty,
Giving us that eternal prize!
